# JOSHUA & CALEB

**OLDER ELEMENTARY  
NUMBERS 13-14  
GOD WANTS HIS PEOPLE TO TRUST  
HIM TO FIGHT THEIR BATTLES**

## WARM UP ACTIVITY

With your children, create a path of pillows, stuffed animals, tape, or any other soft objects. Make it more difficult for older children. Then, use a handtowel or something like it to blindfold the child. Have another child (or yourself) use their voice to guide them through the pathway to safety.

- Was it hard to trust your partner to lead you without running into anything?
- Today we will learn that we can trust God to take care of us.

### WHAT YOU'LL NEED

Open space  
Hand-  
Towel/Bandana
